2. Do I need to fill out an application for each child? No. Use one free and reduced-price school meal application for all students in your household. We cannot approve an application that is not complete. Please submit all required information. Return the completed application to Karan Tanenbaum, 181 Noe Bixby 614-864-0299
3. Should I complete an application if I received a letter this school year saying my children are approved already for free meals? No, but please read the letter carefully and follow the instructions. If any children in your household were missing from the eligibility notification, contact Karan Tanenbaum, 181 Noe Bixby 614-864-0299 immediately.
4. My child's application was approved last year. Do I need to complete another application? Yes. Your child's application is valid for that school year and for the start of this school year. You are required to submit a new application unless the school told you that your child is eligible for the new school year.
5. If I do not qualify now, may I apply later? Yes. You may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.
6. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to the following contact person: Daryl Binsky 864-0299#200
7. May I apply if someone else in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced-price meals.
8. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, submit the report with the routine amount of \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
10. What if some household members have no income to report? Household members may not receive some types of income that are asked for you to report on the application or may not receive income at all. When this happens, please write a 0 in the corresponding field. However, if any income fields are left empty or blank, those also will be counted as zeroes. Please be careful when leaving income fields blank.
